

CMoDe fixDock

Fix Samsung Galaxy Tab 2 In-wall Station

Turn your Android tablet into an in-wall control panel*

- Stylish permanent in-wall Samsung Galaxy Tab 2 solution
- Sophisticated high-end glass finishing in black and white
- Universal for Landscape as well as Portrait installation
- Complete kit including back box is provided
- Compatible with Samsung Galaxy Tab 2
- Secure your Tablet with the fixDock Security-Kit (optional)

The **CMoDe fixDock** is a stylish permanent Android in-wall solution that turns your Samsung Galaxy Tab 2 into an affordable in-wall control panel*. The fixDock can be installed in the wall, but also in furniture or table tops. The fixDock comes with an installation box, so can be installed instantly. The Android tablet is continuously being charged by the original power adapter (not included) so always ready for action! Whether you want to use the tablet as a music center or TV via streaming, as an electronic photo frame or as a control system, The CMoDe fixDock is the most stylish solution. In order to prevent the tablet from being stolen CMoDe is also offering a Security-Kit accessory (not included).
